

# Master Services Agreement - Redline v3

Acme Technologies, Inc. and Northstar Health System | CLM-2026-Northstar

## 1. Parties and Scope

This Master Services Agreement governs Acme Technologies implementation, support, and analytics services for Northstar Health System facilities in the United States.

## 2. Term and Renewal

Initial term is thirty-six months from the effective date. The agreement renews automatically for successive one-year periods unless either party provides notice before expiration. **Issue: notice window is not defined.**

## 3. Payment

Fees are invoiced annually in advance unless otherwise stated in the Order Form.

## 4. Confidentiality

Each party will protect confidential information using reasonable care and at least the same care it uses for its own confidential information.

## 5. Data Processing

Services may include access to patient scheduling metadata and operational health data. The parties will execute a Data Processing Addendum before production use.

## 6. Indemnity

Each party indemnifies the other for third-party claims arising from gross negligence, willful misconduct, or violation of law.

## 7. Limitation of Liability

**Customer redline:** The aggregate liability cap is deleted. Acme remains liable for all direct, indirect, incidental, consequential, special, punitive, and exemplary damages without limitation.

## 8. Termination

Northstar may terminate for convenience on thirty days written notice. **Issue: no early termination fee or committed revenue protection.**

## 9. Execution

Execution is subject to completion of legal, privacy, security, and finance approvals.
